FREE PACKING BOXES - JUST CALL 0208 754 9000

You can ship suitcases, crates and boxes anywhere in the world with us.

But we understand many clients do not have easy access to packing materials.

So we supply **FREE** packing boxes to all of our customers on request.

The **FREE** box dimensions are 50x50x50cm and have the capacity of a large suitcase. Boxes are constructed of strong twin cardboard.

Boxes are **FREE** if you wish to collect them from us or for a small charge of only £8 (per pack of 4, including a roll of tape) we will happily deliver to any address in the UK.

FREE PALLET & SECURITY SHRINK WRAP SERVICE

SEE THE DIFFERENCE

We will put your Boxes, Cases, Appliances, etc on a Woodmarked Pallet and Shrink Wrap in waterproof black security plastic.

Please remember to allow extra to your "payweight" calculation if goods are going to be put on a free pallet(s) or in a packing case to allow for the actual pallet / packing case itself.

A picture of your goods/suitcases etc will be emailed to you once they are on a pallet(s) clearly showing final payweight dimensions and weight.

This service is FREE OF CHARGE.

Airlines, Truckers and Shipping Lines will not accept loose items if they are not correctly packed. Lets us help you to get it right!

PACKING & CASE MAKING SERVICE - CALL FOR A QUOTATION TODAY

We can make you a case of any size

Prices for packing cases are dependent on size and weight of what you need to pack. All cases are correctly marked with the official "Heat Treated Woodmark" symbol.

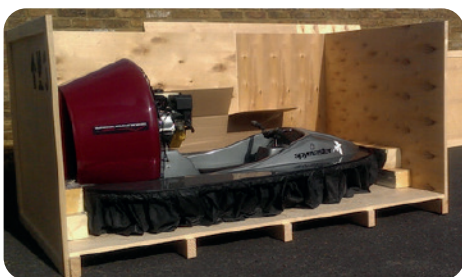

We pack anything - Just Ask!

Antiques. Glass. Machines. Engines. Boats. Furniture...

Many destinations worldwide will **FINE YOU** if you don't use the correct packing wood. Let us help you by ensuring your items are packed correctly - **GUARANTEED TO BE RIGHT.**
